

Louisiana Purchase Council

University of Scouting 2010

What's That?

The University of Scouting is a supplemental training opportunity for **all** adult volunteer Scouters. Supplemental training goes beyond Fast Start, Basic, and Advanced Training to give Scouters knowledge and skills on specific topics to help them deliver the promise of scouting to their youth. This course will cover a wide variety of topics so there will be something for everyone. This is something that can benefit **any** adult volunteer.

Why a University?

We organize this full day of dynamic supplemental training like a university to make it easy to find the right courses for you to advance your scouting program. This also makes it easy to select the courses that you need and want to take.
